

**METAPHORIC NOMINATION OF THE IMAGE OF STATE
IN ENGLISH-CANADIAN POETRY OF THE XVIII-XXI CENTURIES**

Prykhodko I. V.

*Postgraduate Student at Department of English Language and Methods of Teaching,
Kherson State University*

The article is devoted to the problem of metaphor as the main way of image-bearing nomination of the image of state in English-Canadian poetry.

Special attention is drawn to the metaphor's classification according to morphological, syntactic and semantic principles.
